

cc550 Our best professional headset

- ▶ Features **x-large, padded ear caps** to block out a maximum of noise and substantially improve concentration and comfort
- ▶ **Ultra Noise Canceling** blocks out a maximum of ambient noise, making your voice easier to understand
- ▶ Ideal for extended periods of heavy-duty use in very high noise-level, open-plan offices and contact centers

ActiveGard™
An active guard for your hearing

The CC 550 is our top-of-the-line binaural headset and offers powerful, precise sound to both ears for optimal understanding. Its durable construction makes it perfect for any type of office or professional communication.

- ▶ **ActiveGard™** safeguards the user from the effects of an acoustic burst
- ▶ **Independent double-sided headband adjustment and self-adjusting ball-mounted speaker capsules** allow perfect fitting to the head
- ▶ **300° adjustable microphone boom** allows microphone to be positioned exactly for optimal speech clarity. Teflon®* washer support increases positioning accuracy, stability and ensure optimal durability.
- ▶ **Unique comfort pads** in the headband and **specially padded ear caps** distribute pressure and **ensure** remarkable comfort even during extended wearing time
- ▶ Binaural headset ensures maximum block out of background noise, increasing concentration and efficiency
